| | \$4,325.04 | \$3,942.90 | \$4,325.10 | \$4,531.02 | | | |

UNDER FEDERAL LAW, WHEN YOUR ACTUAL ESCROW BALANCE REACHED THE LOWEST POINT, THAT BALANCE WAS TARGETED NOT TO EXCEED 1/6TH OF THE ANNUAL PROJECTED DISBURSEMENTS. YOUR LOAN DOCUMENTS OR STATE LAW MAY SPECIFY THAT YOUR LOWEST BALANCE MUST BE A LOWER AMOUNT THAN THE FEDERAL LAW ALLOWS.

UNDER YOUR MORTGAGE CONTRACT OR STATE OR FEDERAL LAW, YOUR TARGETED LOW POINT BALANCE (T) WAS \$578.68. YOUR ACTUAL LOW POINT ESCROW BALANCE (A) WAS \$456.10-.

BY COMPARING THE ANTICIPATED ESCROW TRANSACTIONS WITH THE ACTUAL TRANSACTIONS YOU CAN DETERMINE WHERE A DIFFERENCE MAY HAVE OCCURRED. AN ASTERISK (*) INDICATES A DIFFERENCE IN EITHER THE AMOUNT OR DATE OF THE PROJECTED ACTIVITY THAT HAS NOT YET OCCURRED DUE TO THE DATE OF THIS STATEMENT.

IF THERE ARE NO PRIOR PAYMENTS TO OR FROM ESCROW SHOWN, THERE WAS NO PRIOR PROJECTION TO WHICH THE ACTUAL ACTIVITY COULD BE COMPARED.

Determining your Shortage or Surplus

Shortage:

Any shortage in your escrow account is usually caused by one the following items:

- An increase, if any, in what was paid for insurance and/or taxes from your escrow account.
- A projected increase in taxes for the upcoming year.
- The number of months elapsed from the time of these disbursements to the new payment effective date.

The shortage, if one exists, has been divided to be repaid in equal monthly payments over a 12-month period.

Surplus:

A surplus in your escrow account is usually caused by one the following items:

- The insurance/taxes paid during the past year were lower than projected.
- A refund was received from the taxing authority or insurance carrier.
- Additional funds were applied to your escrow account.

If your surplus is \$50.00 or greater and your loan was contractually current at the time when the analysis was run or calculated, a check will be sent to you. If your surplus is less than \$50.00, the funds will be retained in your escrow account.

Annual PMI Notification (originated after 7-29-99)

Private Mortgage Insurance: Your mortgage loan requires private mortgage insurance ("PMI"). The premium for the insurance is added to your loan payments. PMI protects lenders against financial loss when borrowers default. Under certain circumstances, federal law gives you the right to cancel PMI or requires that PMI automatically terminate. Cancellation or termination of PMI does not affect any obligation you may have to maintain other types of insurance.

Borrower Requested Cancellation of PMI: You have the right to request that PMI be canceled on or after either of these dates:

- (1) the date the principal balance of your loan is first scheduled to reach 80% of the original value of the property or
- (2) the date the principal balance actually reaches 80 % of the original value of the property.

PMI will only be canceled on these dates if:

- (1) you submit a written request for cancellation;
- (2) you have a good payment history; and
- (3) we receive, if requested and at your expense, evidence that the value of the property has not declined below its original value and certification that there are no subordinate liens on the property.

A "good payment history" means no payments 60 or more days past due within two years and no payments 30 or more days past due within one year of the cancellation date.

"Original value" means the lesser of the contract sales price of the property or the appraised value of the property at the time the loan was closed.

Automatic Termination of PMI: If you are current on your loan payments, PMI will automatically terminate on the date the principal balance of your loan is first scheduled to reach 78% of the original value of the property. If you are not current on your loan payments as of that date, PMI will automatically terminate when you thereafter become current on your payments.

In any event, PMI will not be required on your mortgage loan beyond the date that is the midpoint of the amortization period for the loan if you are current on your payments on that date.
